

# Discipline Policy

## Minimum Licensing Requirements for Childcare Facilities

Learning Land uses the following methods of discipline:

Child will be talked to, to make sure he understands why he is being disciplined.

Child will be re-directed to another area of play.

If the problem continues, the child will be placed in a "sit and think" chair in a quiet part of the room. (1 minute per age of child not to exceed 5 minutes) Children under 2 years of age will not be placed in the "sit and think" chair.

If the problem continues, the child will be placed in a "sit and think" chair in the director's office.

If the problem continues, the director will speak to the child, and a letter will be sent home to the parent explaining the child's behavior.

Parents will be called as a last resort to come and discipline their child or remove them from the center for the rest of the day.

"I have read and understand the discipline policy of this childcare facility. I give my permission for the use of all methods set out above."
